Ukron, Banknote from the Future, 8x5 inches, 2504

CoCA recognizes and thanks Dusteye for the donation of the above-pictured artwork, which appeared in our gallery as a part of the AIND | Art Is Not Dead Mission Special from May 5 through May 17 2026.

We understand that the artwork is not intended for sale, and it will become part of the CoCA Archive.

Sincerely,
